

Children's Liturgy of the Word

Children 3 years old thru 1st grade are welcome!

Today we know and understand that children experience liturgy and all the normal events of life with a capacity consistent with their age. It is easier for young children to participate fully in the Eucharistic Celebration (Mass) if they can understand what they are doing & seeing. *Children's Liturgy of the Word* (CLW) meets this goal and is held most Sundays during the 10:30 am Mass in the months of September - May. Children are called up front at the beginning of Mass and returned to parents before the Eucharist.
